### Day 1: Arrival in Mykonos

Mykonos is probably the most famous between the Greek islands... and not without a cause... With its giant whitewashed windmills and chapels scattered along the countryside, divine sandy beaches, unique Cycladic architectural style, wild, cosmopolitan nightlife, endless entertainment opportunities, yummy local delicacies and countless gastronomic restaurants, Mykonos stands up to its famous reputation as the party island! Being adored by the world's jet set, Mykonos however has more than just intense party life to offer its visitors. On your first day you will have the afternoon free to enjoy the hotel amenities, sun and beaches.

### Day 2: Guided tour of Delos

Being located next to Apollo's birthplace, the sacred island of Delos, Mykonos offers you the option of an exciting day cruise to one of the most important mythological, archaeological and historical sites in Greece. Delos had a position as a holy sanctuary for a millennium before Olympian Greek mythology made it the birthplace of Apollo and Artemis. From its Sacred Harbor, the horizon shows the two conical mounds that have identified landscapes sacred to a goddess in other sites: one, retaining its pre-Greek name Mount Kynthos, is crowned with a sanctuary of Dionysus. You will depart from Mykonos to Delos, where you will have a guided tour at its Archaeological Site.

Whether you are looking for fun by the sea until sundown with a cocktail in your hand, or a quiet time reading a book on a calm, secluded beach, if you are the active type looking for sea sports, Mykonos has a beach for you.
